## **2. New academic programme initiated (UG and PG).**

**M.Phil. Computer Science.**

**M.Phil Maths**

**M.Phil Commerce**

## **3. Innovations in curricular design and transaction.**

- Ours is a self-financing Institution affiliated to Periyar University. So we cannot modify the courses, CBCS pattern is followed for all Undergraduate and Post Graduate courses and it includes innovative programmes like extra Disciplinary Courses, Value Based Education, Communication Skills, and Personality Development Courses which could meet the emerging global trends.
- Our Institution collects feedback from faculty, students, Alumni, Industrialists and academic peers regarding the existing curriculum and the University Board Members from different departments of our college and communicate the above collected feedback information to the University. Thus they help in improving the quality of the curriculum design.

#### **4. Inter-disciplinary Programme started.**

Nil

#### **5. Examination reforms implemented.**

##### **Internal Evaluation**

- Every semester, our College conducts Mid-Term and Model Examinations to the students.
- The question papers are prepared by the faculty members as per the University question paper pattern.
- The evaluation of the answer scripts are done systematically with the help of the answer key prepared by the concerned staff members.
- The staff members point out the mistakes (grammar, points left out, irrelevant answer, and spelling) with the help of the seals provided to them.
- Further the faculty facilitates the students to refer the correct answer in the course materials issued to them.

##### **External Evaluation**

- At the end of every semester, the University conducts examination.
- The question paper pattern as prescribed by the University is informed to the students for their better performance.
- The details of the students' performance and their examination marks are intimated by post to their parents.

## 23. Courses in which student assessment of teachers is introduced, and the action taken on student's feedback.

The Student assessment of teachers has been followed for all UG and PG courses.

- ❖ Two boys and two girls from each class are called every month to assess the performance of the faculty.
- ❖ A detailed questionnaire is given to the students to get the feed back of each faculty.
- ❖ A recorded feedback of students is collected by the Principal and the Administrative Officer and immediate actions are taken to rectify the problems.
- ❖ The Feedback collected by the Administrative Officer is consolidated in the form of a report.  
The Principal personally visits all the classes once in a month and collects feedback from the students.
- ❖ Based on the report the respective faculty members are fine-tuned to improve the method of teaching.
- ❖ A suggestion box is also kept out side the Principal's chamber to lodge the suggestions and grievances and suitable remedial measures are taken for the same.
- ❖ The suggestions given in the feedback by the above sources are taken into consideration and improvement regarding the curriculum and other problems of the students are set right.

#### **24. Unit cost of Education.**

Our college is a self-financing institution, so it doesn't collect any donation from the students. Students are charged only nominal fees.

*(Unit cost = total annual recurring expenditure (actual) divided by total number of students enrolled)*

Total annual recurring expenses = **RS.2,42,64,156**

(Including the salary component)
