INFRASTRUCTURE SUPPORT

The basic substantial and organizational structures along with amenities needed for the people with disabilities are more accessible and updated.

Easy access ramp and railings are endowed for the differently abled students.

- The main entrance and way out signs are readily perceptible, open handed and it can be accessed by wheelchair users.
- Accessible washrooms are enabled for the people with disabilities and they are clearly identified and adaptable.
- The institution helps the disabled students for their development of language and other skills.
- Perceptible pathways and supports are provided for the disabled.
- Provision of wheelchairs, disabled-friendly sign post, sports and wellness facilities affords the needs of students with disabilities.

SENSITIZATION AND AWARENESS

- Organization of awareness, sensitization programmes and events for able-bodied staff and students creates the College as a safe space for people with disability.
- For the disabled- friendly teaching practices, faculties are well trained with alternate roles for teaching, presenting, assessing and screening within and outside classroom.
- Counseling facilities caters the people with disabilities.
